About our service

Metro Ethernet is a broadband internet service delivered to your business over a standard Ethernet connection. Connected directly to our core fibre optic network, Metro Ethernet provides unmatched scalability, reliability, latency and convenience.

- Able to be connected within 48 business hours
- No phone line is required
- Short contract terms are available
- Compatible with all operating systems
- *FREE* wireless router provided
- Discounts when your Internet connection is bundled with one of our other services.
 - IT Consulting | Remote Backup | Web and Mail Hosting

Each connection is provisioned on-site by one of our professional technicians who will ensure that your Internet connection is fully operational on the day of provisioning. We are also able to supply data cabling, and network consulting services at the same time should your business need some extra help in making the most of your new Internet connection.

Metro Ethernet - Terms and Conditions

1. This Internet service will allow unlimited time on-line, and download limits in accordance with the agreed plan. The service will be provided for an agreed period in accordance with the terms and conditions of supply.
2. The customer must pay the fees due in accordance with the pricing plan as set out on the Eastern Wireless website. All fees are payable in advance and additional charges are payable within 14 days of delivery of an invoice to the customer by Eastern Wireless via email or post. If no payment has been received by Eastern Wireless by the due date the customer's service may be suspended.
3. It is permitted to connect a private local area network (LAN) to our service, provided customer's computers are all located in the same dwelling. Eastern Wireless Pty Ltd will not provide any technical support related to Internet connection sharing, or to the customer's network.
4. Re-selling or re-transmitting the service is not permitted under any circumstances.
5. Refunds are not available except under circumstances where it is no longer possible for Eastern Wireless Pty Ltd to offer service to the customer. In cases, refunds would be issued for the remaining (i.e. unused) service term.
6. A \$79 disconnection fee applies upon user termination of the Internet service provided by Eastern Wireless Pty Ltd if the Internet service is cancelled within the first 6 months of service.
7. All service charges, installation fees, and charges for optional extras are detailed on the website <http://www.easternwireless.com.au>. These prices are subject to variation at any time.
8. Username and password details, including computer network settings should be kept confidential by the customer.
9. Eastern Wireless Pty Ltd accepts no responsibility for any material accessed via the network, including but not limited to Advertising, Spam e-mail, Offensive Material etc.
10. Engaging in any activities which contravene the laws of the states and territories of the Commonwealth of Australia including but not limited to, sending bulk unsolicited email, distributing viruses, breach of copyright or the transmission of any unlawful or offensive material,

11. Hacking, and email forgery, will cause termination of service.
12. Eastern Wireless Pty Ltd will not accept responsibility for any data stored on any of its member's computers, or any data stored on any network connected to the Eastern Wireless Pty Ltd network.
13. Eastern Wireless Pty Ltd will not accept responsibility for any data downloaded by any member, including but not limited to unlawful data, and copyright works.
14. Every effort will be made to provide a reliable service, but Eastern Wireless Pty Ltd will not be liable for any network downtime. Eastern Wireless Pty Ltd also reserves the right to restrict access to certain IP ports.
15. Eastern Wireless Pty Ltd is not liable for any network downtime caused by natural disasters, acts of terrorism, or any circumstances not directly controllable by Eastern Wireless Pty Ltd.
16. Failure to comply with any point set out in these Terms and Conditions will result in termination of service.
17. Services offered by Eastern Wireless are intended for business use.
18. Eastern Wireless provides electronic mail facilities to all customers. It is the customer's responsibility to regularly check their email. Tax invoices, account status, and other system information will be communicated via this media.

Additional Information

- Please allow up to 2 working days for your connection to be provisioned.
- In some circumstances, there may be technical limitations which can prevent the provision of Metro Ethernet. If such problems arise, we will notify you. There will be no charge if we cannot provision Metro Ethernet service.
- If you decide to change your plan, a fee of \$19 will apply.
