About our service

A website for your business is important not only for marketing, but for providing your business with an on-line identity. Our Web and Mail hosting solutions can provide your business with the identity it needs.

Our team of experts can provide you not only with the means to communicate your products and services, but the knowledge on how to best achieve this goal.

From lodging details of your Web site with the largest search engines available, ensuring your site is accessible to millions of Internet users to implementing advanced server technologies, we carry on where other web hosting companies finish.

Our experienced staff can aid your business with Web design, search engine optimisation, online promotion, databases, dynamic content, and even develop an automated online billing system.

As well as offering basic hosting packages to suit small business, we're there for you as you grow, with the ability to back up our product with the technical and design know how that can get your vision online fast, and free your time to concentrate on your business.

Web and Mail Hosting - Terms and Conditions

1. The customer must pay the fees due in accordance with the pricing plan as set out on the Eastern Wireless website. All fees are payable in advance and additional charges are payable within 14 days of delivery of an invoice to the customer by Eastern Wireless via email or post. If no payment has been received by Eastern Wireless by the due date the customer's service may be suspended.
3. Re-selling or re-transmitting the service is not permitted under any circumstances.
5. Refunds are not available except under circumstances where it is no longer possible for Eastern Wireless Pty Ltd to offer service to the customer. In cases, refunds would be issued for the remaining (i.e. unused) service term.
6. All service charges, installation fees, and charges for optional extras are detailed on the website <http://www.easternwireless.com.au>. These prices are subject to variation at any time.
8. Username and password details, including computer network settings should be kept confidential by the customer.
9. Eastern Wireless Pty Ltd accepts no responsibility for any material accessed via the network, including but not limited to Advertising, Spam e-mail, Offensive Material etc.
10. Users must not engage in any activities which contravene the laws of the states and territories of the Commonwealth of Australia including but not limited to, sending bulk unsolicited email, distributing viruses, breach of copyright or the transmission of any unlawful or offensive material,

11. Hacking, and email forgery, will cause termination of service.
12. Eastern Wireless Pty Ltd will not accept responsibility for any data stored on any of its member's computers, or any data stored on any network connected to the Eastern Wireless Pty Ltd network.
13. Eastern Wireless Pty Ltd will not accept responsibility for any data downloaded by any member, including but not limited to unlawful data, and copyright works.
14. Every effort will be made to provide a reliable service, but Eastern Wireless Pty Ltd will not be liable for any network downtime.
15. Eastern Wireless Pty Ltd will not be liable losses resulting from any periods of website or e-mail downtime.
16. Eastern Wireless Pty Ltd reserves the right to restrict access to certain IP ports.
17. Eastern Wireless Pty Ltd is not liable for any network downtime caused by natural disasters, acts of terrorism, or any circumstances not directly controllable by Eastern Wireless Pty Ltd.
18. Failure to comply with any point set out in these Terms and Conditions will result in termination of service.
19. Services offered by Eastern Wireless are intended for business use.
20. Eastern Wireless provides electronic mail facilities to all customers. It is the customer's responsibility to regularly check their email. Tax invoices, account status, and other system information will be communicated via this media.

Additional Information

- Please allow up to 2 working days for your hosting account to be provisioned.
